SUNSCREEN

Process for all grades

Doctor permission is no longer required, but please review the Lake Washington School District process for sunscreen at school. The safety of all children is our priority and some students are very allergic to sunscreen. Thank you for understanding and complying with this process.

Students may bring and self-apply sunscreen at school once parents have met the following conditions:

- We recommend application at home before school, bring a sunhat labeled with their name, and wearing sun protective garments.
- Sunscreen is labeled with child's full name
- NO spray sunscreen is allowed
- Younger students may find stick sunscreen easier
- Child is instructed by parent to not share sunscreen with other students
- Approval will be withdrawn if a student handles sunscreen irresponsibly or otherwise maintains or administers it in a manner that is not appropriate for school. For this reason, parents must demonstrate at home how to apply.
- Additional information regarding sunscreen can be found at:
<https://www.aad.org/media/stats/prevention-and-care/sunscreen-faqs>

I agree and have met the conditions above.
