

# Middle School Mania! What Parents Need to Know.

## Savvy Parents Safe Kids

Date: Tues Nov 15 2016

Time: 7:00pm to 9:00pm

Location: KIMS

Middle School is a big leap for both parents and Tweens. Middle School can be a huge source of concern for parents as kids make this transition. Join experts Kim Estes, from Savvy Parents Safe Kids as she help parents understand what is coming up, what old methods they are leaving behind, the biggest challenges and changes to expect from middle school and how to handle it! Sample Topic points:

- Communication tools fit for Middle Schoolers
- Common parent myths and miss-steps
- Who your kids associate with, their choices and how that will impact YOUR child
- Helping parents avoid the dangerous "Not My Kid" syndrome
- Smart phones (the good the bad the ugly). Family contracting for cell phones.
- Why old safety approaches no longer work.
- Predators and Kids: What Tweens/Teens are up to and what every parents needs to know on how to protect their kids and why.
